

# Community Program at NSCS-37 Hawthorne St Chelsea, MA 02150

**Take advantage of the Internet to Live, Learn, Earn, Work, and Play**  
Tech Goes Home strives to ensure that all our learners are equipped with the tools, training, and access to support 21st century skill development.

## Free 15 hour TGH course!

The TGH Community Program delivers a 15 hour course focused on fundamental digital skills. Our web-based curriculum is designed to help you access the powerful resources on the Internet. **Next class begins on February 8<sup>th</sup> 2023 @ 4pm**  
**Registration required-contact below**

### Topics include:

communicating with friends and family,  
finding educational programs,  
accessing public benefits,  
financial literacy,  
and more!

## Free Computer for TGH Grads!

Upon completion of 15 hours of TGH curriculum, graduates earn one free year of internet service and a free computer to keep.
